

Holistic Jobs

Primary Subscription Form

Holistic Jobs is a specialized pharmaceutical job portal that is meant to satisfy bilateral needs of the employer and applicant. With the rapid growth of industry it is getting difficult to find a candidate as per the defined corporate parameters. We are making it possible through an extensive CV bank with an option to classify CVs on multiple parameters.

We are starting it with basic membership for first 06 months with following features:

- Unlimited job postings for six months
- Facility of applicants to apply directly to the job
- Initial subscribers of (Oct-Dec, 2015) will be offered 25% on all advanced features those will be added from Jan 01, 2016.

Advanced Features

1. Individual portals for employers & applicants
2. Talent assessment
3. Short listing & basic interviewing of candidates
4. Professional training services for new hires
5. Email and SMS job alerts to targeted candidates
6. CV filtration service by: i) Area ii) Specialty iii) Experience iv) Skills v) Qualification and much more
